Drive 112km outside Visakhapatnam to the beautiful hill-station of Araku Valley. Enjoy the lush greenery, waterfalls and streams that dot the valley, and wander through the Padmapuram Botanical Garden, the Government Silk Farm and the Tribal Museum.

SIGHT SEEING

SIMHACHALAM

The temple dedicated to Lord Vishnu at Simhachalam has incredible inscriptions dating back to the 11th century, as well as a 13th-century main shrine with carved stone panels. Located 16km outside Visakhapatnam, it is Andhra Pradesh's second-most visited temple after Tirumala.

Sited within the decommissioned INS Kurusura, the Submarine Museum on Ramakrishna Beach is a fascinating showcase of life under the sea, in the form of artefacts, photographs, written scripts and instruments. Six guides and a curator – all retired Indian Navy personnel – add to the experience.

THE BORRA CAVES

The atmospheric Borra Caves house a marvelous collection of stalactites and stalagmites in a variety of shapes. Look for Lord Shiva and Parvati, a lion reaching out to make the kill, Lord Hanuman and a Shivlingam. Do carry your own torch.

The Aircraft Museum, The mighty war-hero TU-142, whose call sign is Albatross is to be INS Kursura's neighbor. TU-142, designed by Tupolev and manufactured in Russia has served 30,000 flight hours.
