## Born in Morocco...

Named after his great uncle Rick, the star of the classic black and white movie 'Casablanca'.

That is Rick.. with the passion of Morocco flowing in his veins, sweeping through the Orient like an adventurous pirate, he has built up a caché of exotic wokkerie ideas and services them alongside his famously wicked cocktails.

Experience his debonair, rakish charm in the slice of lime perched flirtatiously atop one of his original cocktails.

Taste his creativity in his sensuous twirl of a noodle around slender chopsticks. And relax. At Rick's you are among friends.
