The tea that became known as 'Earl Grey Tea' combines tea with the flavor of bergamot. Ceylon Silver Tips White Tea

A rare handmade white tea from the Nuwara Eliya region of Ceylon, grown at 6,000 feet elevation. The tender buds of the tea plant are hand picked at dawn, carefully carried in a silk pouch and entirely handmade. The buds are sun dried and carefully hand rolled, producing the characteristic silver, needle-like buds, with

a velvety texture. Their pale liquor is surpassingly light and delicate, elusive and mild on the palate with a touch of a 'greenish' seasonal high grown character in the finish. The beauty of the infused buds adds to the pleasure of this unique brew.
